

Electronic Journals & Periodicals

Dates of full-text availability range from title to title. Most titles listed have the current issues as well as several years back-file available.

3G technology, Markets and Business Strategies
Access control & security systems integration
ACM computing surveys
ACM guide to computing literature
ACM journal of computer documentation
ACM journal of experimental algorithmics
ACM journal on emerging technologies in computing systems
ACM queue
ACM transactions on algorithms
ACM transactions on applied perception
ACM transactions on architecture and code optimization
ACM transactions on Asian language information processing
ACM transactions on computational logic
ACM transactions on computer systems
ACM transactions on computer-human interaction
ACM transactions on database systems
ACM transactions on design automation of electronic systems
ACM transactions on embedded computing systems
ACM transactions on graphics
ACM transactions on information and system security
ACM transactions on information systems
ACM transactions on Internet technology
ACM transactions on mathematical software
ACM transactions on modeling and computer simulation
ACM transactions on multimedia computing communications and applications
ACM transactions on office information systems
ACM transactions on programming languages and systems
ACM transactions on sensor networks
ACM transactions on software engineering and methodology
ACM transactions on speech and language processing
ACM transactions on storage
Advances in complex systems
America's Intelligence Wire
America's network
Annals of the history of computing
Appropriate technology
AS/400 systems management
Ascent technology magazine : ATM
Asia computer weekly
Asia-Pacific Mobile Communications Report
AsiaPacific telecom
Asia-Pacific telecommunications
AT&T technology
Automation systems Integrator Yearbook
Bank network news
Bank network news : Special issue
Bank systems + technology
Bank technology news
Behavior research methods, instruments, & computers
Behaviour & information technology
Bell Labs technical journal
Berkeley technology law journal
Bestwire
Boston University journal of science & technology law
British journal of educational technology
Broad Band Access 2002
